From the Scholarship Committee

- The Hallie Siddell Scholarship is awarded to a member who has two years in full-time photography.
- The Mills Steele Scholarship is awarded to anyone with 2 years active service in photography or a related field.
- The PPNC Memorial Scholarship is awarded to anyone with 2 years or less in photography or a student at an accredited photography school.
- The Winona Scholarship is awarded to a more experienced photographer who will use this additional education to improve his/her skills. This person is one who would come back to the association with enhanced talent and leadership qualities which will benefit the association in the future.
- The East Coast School Scholarship has the same requirements as the Winona Scholarship.
- The Don Blair Memorial Scholarship is awarded to a PPNC Photographer. This person may be eager to learn as a beginning photographer or may be a seasoned photographer who needs to rekindle their love of photography. This scholarship can only be used at the East Coast School Photographic Workshops.
- The Phil and Haroldine Aull Scholarship is being awarded for the first time this year. It is designed for a PPNC member who exemplifies a passion for photography and love for this profession. This scholarship can only be used at the East Coast School Photographic Workshops.

*If you have applied for scholarships in the past and were not successful, please apply again. This may be your lucky year! Please note that we have a deadline for applications – February 22, 2008. It is helpful to have an active member as your sponsor, but not required. The statement of one page or less is very important in helping the committee make a decision and can be written by the applicant or sponsor.
